## What is chemistry class in high school

Something went wrong. Wait a moment and try again. CC0-BY/greymatters/pixabay Your child’s education is one of the greatest investments you will ever make. Choosing the right school will help your child through their high school years, but how do you choose the ‘right’ school? There are so many things to consider, and it seems wherever you look you will find someone claiming to be the ‘best’. There are multiple lists published every year ranking schools on a wide range of criteria, including academic or sporting performance, college acceptance rates, student satisfaction and teacher/student ratio. So which list is right and how do you decide the best school for your child? Several of these lists have been compared and below you will find the public high schools which feature consistently across them all.
